Class Overview

Black Diamond Traffic School is a 3.5 hour traffic
safety education program for drivers who have been
cited for a traffic violation. The class includes current
driving laws, safe driving techniques, and makes
participants more aware and knowledgeable about
local driving conditions.

If your citation has two or more violations, (ex.
violation 1=speed; violation 2=no tabs, you are
responsible for handling the additional violation(s)
first. Black Diamond Traffic School allows you to
keep only one from your driving record.

If you have been court ordered to attend
a defensive driving school, this class
DOES NOT qualify.
