MEMO TO: Planning Commissioners  
FROM: Mona Davis, Community Development Director  
DATE: November 1, 2022  
SUBJECT: DRAFT Sign Code Regulations – BDMC Chapter 18.82

---

Dear Commissioners,

Please find a new draft sign code in your packet for review and discussion at next week's regularly scheduled meeting on November 8<sup>th</sup>.

This draft does not include redlined edits from our last meeting because they were mostly not substantive, but rather just intended to make it more user-friendly and eliminate unnecessary or inconsistent language. Specifically, the following edits were made:

- Added an index at the beginning of Chapter 18.82 so it's easier to see the contents of the different code sections and how they all fit together.
- Eliminated the numbering on the definitions in 18.82.020.
- Eliminated certain redundant and extraneous definitions that are not really used elsewhere in the chapter.
- Made minor technical changes to certain code sections for consistency.
- Added some new yellow highlights where it will be important for the Commissioners to weigh in on whether certain types of signs should be allowed and/or under what conditions.

As a reminder, there will be a public hearing that evening as part of the regular meeting.

Please feel free to reach out to me with any questions and/or concerns prior to the meeting.

Thank you,  
Mona
